

# Amit Sadh to play Major Tango in India Strikes — 10 Days

**A**ppause Entertainment, the content studio from the Aditya Birla Group headed by Sameer Nair, is set to bring a gritty, realistic and dramatic recounting of the recent Uri terror attacks onto the web. They announced *India Strikes — 10 Days*, a multi-season web series with talented cast and show runner Samar Khan of Irada Entertainment. Now, the studio has announced that Amit Sadh will feature as the lead actor in this much-awaited series.

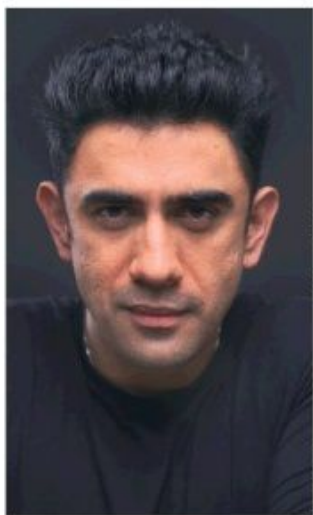

Being a versatile actor, Amit has made an impact with his performances in films like *Gold*, *Sultan* and *Kai Po Che*, and the web series *Breathe*. This series is based on the first chapter from Shiv Aroor and Rahul Singh's book *India's Most Fearless*.

The incident is fresh in the mind of every Indian — Pakistani militants had attacked the Indian Army brigade in Uri, Kashmir on September 18, 2016. Making a marked departure from diplomacy and protest, the Indian government gave a clear message to its neighbouring state. Displaying a zero-tolerance approach to terrorism and unprovoked violence, Indian Armed Forces selectively retaliated by attacking terrorist camps across the Line of Control.

The series is being directed by Raj Acharya, who has previously directed the show *The Battle Of Saragarhi* and was also the assistant director for *Talaash*. Meanwhile, Harmanjit Singha, Sudeep Nigam, Abhishek Chatterjee and Aadhar Khurana have scripted this ten-part thriller.

Commenting on the announcement, Sameer Nair, CEO, Applause Entertainment, said, "Amit and I go back a long way, as he made his TV debut. He is a focused and passionate performer who brings heft and experience to a part. Applause Entertainment is focused on creating a niche of qualitative and engaging fiction drama series on the web that connects with the Indian digital viewing appetite. *India Strikes — 10 Days* highlights the role of our security forces in protecting our country and people."

Amit added, "I am excited to get associated with Applause Entertainment on a thrilling series

based on a real mission which is one of the most challenging roles I have done so far. My character offers scope to display a fresh side of me as an actor. Major Tango is someone who has many shades to him — bravery, a host of emotions, and everything in between."

Samar added, "*India Strikes — 10 Days* brings together an experienced and passionate team focused on creating a series that captures a powerful moment which will get audiences involved. I look forward to delivering this series and filming this powerful story."

Raj said, "I found the mission and its treatment by our writers very compelling. I look forward to developing and shooting this series. We want to tell our audiences this true story through an intense narrative and transport them into a world of drama and emotions."

*India Strikes — 10 Days* begins filming soon in Mumbai and Kashmir, and the show is expected to stream early next year. Applause Entertainment has an exciting line up of upcoming shows including *Taj — A Monument of Blood* with Contiloe Pictures, *Hasmukh* with Ranvir Shorey, Vir Das and Nikhil Advani, *The Scam* with Hansal Mehta, *Criminal Justice* and *The Office, City of Dreams* with Nagesh Kukunoor, and has over 20 premium shows lined up for the year.
